BARGAINING HIGHLIGHTS

ACE-CJUSD Negotiations Update

Your Association Bargaining Team and the District met to discuss the 2009-2010 agreement. The District presented budget information concerning the 2010-2011 school year. It contained proposals for pay cuts and furlough days. However, we have not completed negotiations for the current year. Although the District maintains that there is no money, the Association has shown that there are considerable funds available in numerous accounts.

The Association passed Article 10. We proposed clarifying the 5 year evaluation language and are awaiting the District's counter-proposal.

The Association also passed Article 8. We proposed strengthening language regarding teacher planning time during prep periods and are awaiting the District's counter-proposal.

The District did not pass any articles or counter-proposals.
