

# FROM THE TABLE

## ACE/CTAINEA

March 12, 2010

Your ACE Bargaining Team met with the District representatives on March 12, 2010 to negotiate the ACE Agreement for 2009-2010.

## BARGAINING HIGHLIGHTS

Although the District wishes to bargain away from the table by sending out proposals that must be directly negotiated, your negotiations team decided to bargain AT the table instead of sending out inflammatory propaganda.

### 2009-10 ACE-CJUSD Contract Negotiations

There was a tentative agreement on Article 18. Language was added to Article 18.6, "If the unit member's spouse becomes Medicare eligible, they must pledge both parts A and B of their Medicare to the District's medical plan." Although this is not in our current contract, it has been the common practice of the District for years.

A tentative agreement was reached on Article 22. No Changes.

Many other proposals were discussed. There was no reportable progress on any of those items. At the next meeting, the District will respond to Articles 7, 8, 9, 10, and 13. ACE will respond to Articles 9 & 12.
