Your ACE Bargaining Team met with the District representatives on March 7, 2011

BARGAINING HIGHLIGHTS

Your ACE Bargaining team met to discuss savings realized by the 2009-2010 Supplemental Early Retirement Program (SERP) as well as the upcoming deadline for SDC/LH teachers for their autism authorization certificate. The Association hopes to work productively with the District team to settle both issues. ACE seeks to secure funding from the District to assist SDC/LH teachers in paying for this certificate. ACE is awaiting documents from the District, which will help to clarify the total savings realized by the SERP.

ACE and the district had a good discussion on ways to work together in the negotiation process. ACE is hopeful that this will help future negotiation meetings be productive.
