October 13, 2010

Your ACE Bargaining Team met with the District representatives on October 13, 2010 to settle the SERP for 2008-2009.

BARGAINING HIGHLIGHTS

2008-09 ACE-CJUSD SERP Negotiations

Your ACE team met with the District team prepared to settle savings realized by the 2008-2009 SERP. The District passed a counter-proposal to ACE, which was the exact same proposal that ACE did not accept at our last meeting. The District Negotiating Chair verbally agreed that the SERP saved the District \$4.2 million, according to the Business Office's budget projections. The District Negotiating Team refused to back up their own budget projections by signing a Tentative Agreement that ACE supported. It is apparent that the District Negotiating Team lacks the authority to make decisions regarding the SERP. Your ACE team requested, and the District Bargaining Chair agreed, to bring the relevant District decision-makers to the next meeting.
